Title: I Want My Health Back

II Kings 5:1-14

In Exodus Chapter 15:26 God identifies himself to the people of Israel as the Lord Jehovah the God that heals. Because of the different dispensations, some people say that God is not performing supernatural healing's. But I believe that the word of God says that he is the same yesterday, today, and forever more. In this lesson we will see why and how you can retrieve our health.

- Desire your health because of your past.
- Desire your health because of the present.
- Desire your health because of your potential.

I. There's a Revelation from the Servant.

2 Kings 5:2-3 (NKJV)

² And the Syrians had gone out on raids, and had brought back captive a young girl from the land of Israel. She waited on Naaman's wife.

³ Then she said to her mistress, "If only my master *were* with the prophet who *is* in Samaria! For he would heal him of his leprosy."

II. You'll have Resources for your Struggles.

¹² *Are not the Abanah and the Pharpar, the rivers of Damascus, better than all the waters of Israel? Could I not wash in them and be clean?"* **So he turned and went away in a rage.**
